Remarks

Parts for the K 240 Studio will be sold as long as our stock lasts. For later repairs we will exchange the headphones against K 240 Studio II at special rates but only in case that parts are not available.

In case of a capsule defect in very old K 240's of variation 01 and 02 it may be necessary to change both capsules.

Disks 22 with passive radiators are no longer available. All disks 22 are delivered with covers 33 already attached. Lid 12 contains the Mini-XLR socket 38.

Hinweise

Teile für den K 240 Studio sind nur solange der Vorrat reicht erhältlich. Für spätere Reparaturen wird der komplette Kopfhörer gegen K240 Studio II zu Sonderkonditionen ausgetauscht, allerdings nur im Fall, dass Ersatzteile nicht mehr verfügbar erhältlich sind.

Bei sehr alten K 240 der Varianten 01 und 02 kann es im Fall eines Kapseldefekts notwendig sein, beide Kapseln zu tauschen.

Scheiben 22 mit passiven Membranen sind nicht mehr erhältlich. Alle Scheiben 22 werden mit aufgeklebten Reibungen 33 geliefert. Deckel 12 enthält den Mini-XLR-Einsatz.
